Our Own Introductions For This Season

Richard Barrett.—A glad which attracts the attention of all lovers of a large finely expanded, wide open and well placed bloom of great substance. Petals are broad and well rounded. Flowers measure five to six inches in diameter without forcing.

Awarded the Mayor Donnelly silver cup for the best new seedling at the largest flower show held in the east this past season at Trenton, N. J.

Color clear rose pink, lower petals flecked and striped rose. Each\$1.00

Miss Hightstown.—Named for our home town as it captivates our home people and we are sure will please all of you who see it.

Flowers are five inches in diameter, well opened of fine texture on a tall vigorous spike.

Color rhodonite pink, petals tipped rose color, three lower petals marguerite yellow at base of throat flecked mallow purple. Each\$1.00

Search Light.—A large wide open flower, six to seven inches in diameter.

Color, deep rose pink flecked with rose. Rose red in bud. A tall, sturdy, straight spike. Each50

Don.—A magnificent flower of the qualities of Richard Barrett but of a light mallow purple with amaranth purple throat outlined white. Each50

Flash Light.—A flashy grandiflora prim. with six or seven blooms open at one time on a very tall spike.

Color, true scarlet with spectrum red throat. Each25

Macprim.—A white prim. that is white. Five foot spike and four inch blooms. Good judges have pronounced it the best white prim. on the market today. Each25

Read This Before Ordering

All stock offered subject to prior sale.

Orders for \$2.00 or more from this list will be sent prepaid anywhere that Parcel Post goes. On orders for less than \$2.00 add 15 cents to cover postage and packing.

Remittances must accompany orders.

While we guarantee stock to grow and produce good blooms and bulbs when planted under favorable conditions, we will not be responsible for the crop, but will replace any that prove untrue to name.

With all orders amounting to \$5.00 or more we will ship charges prepaid, one 5 pound can of **Baughgro**.

GLADIOLUS

Prices are for single bulbs one and one quarter inches and up. Rate per doz. ten times the single price.
